

Business Owners

Are you looking for a Partnership? We have a new concept of delivery!

We deliver your products without any cost or commission to you!

Your clients just buy the delivery service separately from your products/food!

Save a lot money!!!

Totally Delivery is a Courier/Delivery service App in the Las Vegas area.

We have a New Concept of Delivery/Courier Service.

We offer from Curbside to Documents runs Directly on the app.

Your clients buy your products/food directly from you and **purchase a Delivery Service** on the *Totally Delivery* app separately.

You can save 25% or more on each order!!!

No hidden fees or charges!!!

3 easy steps for your clients:

- 1) They buy your goods from your store or restaurant and choose the option for pick up or curbside
- 2) Login on the Totally Delivery App and **buy a delivery service.**
<https://www.totallydelivery.com/how-it-works>
- 3) Client receives the products in a timely manner.

Why Totally Delivery?

We can work together to deliver your products and **increase your profits!**

1) Our drivers are background checked and facial recognition is integrated to make your clients feel more secure!

2) We have drivers around the Las Vegas area to make your deliveries faster and more efficient!

3) **No charges or fees for the Stores and Restaurants ever!**

4) Clients have direct contact to drivers and track in real time!
